

GRADING – St Thomas Netball Club

WNA will regrade all teams around the 3-5 week mark of each season.

St Thomas are invited to make recommendations to WNA regarding each team.

Procedure for Grading Recommendations:

- At least 2 members of the committee will discuss and draft the grading recommendations for each team.
- All coaches will be asked for input.
- If the committee believes a team should be moved for any reason, consultation with the coach **MUST** occur prior to this recommendation being put forward to WNA.
- Team Managers **may** be asked for input if required.

Procedure for notifying teams of Grading changes:

- Grading changes are not to be sent to all parents until they have been reviewed by the grading committee and approved for parental viewing.
- Coaches of the teams that have **changed** section will be contacted **prior** to the teams being released.
- Grading changes are to be sent via email with the following introductory paragraph:

*Please find attached the recent regrading of all Netball teams conducted by the Whitehorse Netball Association. New sections and times are effective immediately and will be reflected in Netball Connect in the coming days. These sections are **final** and will remain for the rest of this season.*

As a club, we understand you may feel disappointed with the regrade of your team, but please remember that there is consideration given to many factors in this process. We encourage you to be positive in your approach moving forward.
